To: DOT STIP
Subject: In support of the North Douglas Crossing

Comments to State of Alaska, DOT on STIP

While I can add nothing new to all the reasons for the crossing, I tend to focus on taking pressure off the traffic at the existing Juneau-Douglas bridge, creating an alternate route to access Douglas Island in the event that something should happen to the current bridge, and for improving access to North Douglas with the hope of encouraging further development of land, docks and harbors.

Craig E. Dahl
